IN LOVING MEMORY OF OUR DEAR FRIEND & COLLEAGUE...

ROBERT KOBE

\*24.12.1962

+18.04.2015

"When I came to the end of the road  
and the sun has set for me,  
I spent no time in a gloom-filled room,  
why cry for a soul not free?"

When we are little - but not for long  
and out with your head behind lock,  
remember the love that we have shared,  
take me - but let me go.

This is a journey we must take,  
and each must go alone,  
it is a trip on the road to home.

When we - but let me go."

### WISE WORDS...

After being married for 50 years, I took a careful look at my wife one day and said, "Fifty years ago we had a cheap house, a junk car, slept on a sofa bed & watched a 10-inch black & white TV. But hey I got to sleep every night with a hot 23-year-old girl! Now ... I have a R2 500 000 home, a R545 000 car, a nice big bed and a large screen TV, but I'm sleeping with a 73 year-old woman. So I said to my wife "It seems to me that you're not holding up your side of things."

My wife is a very reasonable woman. She told me to go out and find a hot 23-year-old girl and she would make sure that I would once again be living in a cheap house, driving a junk car, sleeping on a sofa bed and watching a 10-inch black and white TV.

Aren't older women great?

They really know how to solve an old guy's problems!

# LOAD SHEDDING...FROM OUR MD.

## FLEECEYTEX KNITTING TAKES A STANCE AGAINST LOAD SHEDDING!

"Our Editor seen in the crowd of protesters at a local Sub Station following days of power interruptions.

Apologies to all our valued Customers effected by the subsequent delays in supply.

A BIG thank you to our Staff who put in the extra hours in order to get back on track!"

**RETIRED PERSON HEALTH MESSAGE**

As I was lying around, pondering the problems of the world, I realized that at my age I don't really give a rat's arse anymore.

- .. If walking is good for your health, the postman would be immortal.
- .. A whale swims all day, only eats fish, drinks water, but is still fat.
- .. A rabbit runs and hops and only lives 15 years, while
- .. A tortoise doesn't run and does mostly nothing, yet it lives for 150 years.

And you tell me to exercise?? I don't think so.

Just grant me the senility to forget the people I never liked, the good fortune to remember the ones I do, and the eyesight to tell the difference!
