FOOTBALL FINALLY MAKES SENSE...

A guy took his blonde girlfriend to her first football game. They had great seats right behind their team's bench. After the game, he asked her how she liked the experience. 'Oh, I really liked it,' she replied, 'especially the tight pants and all the big muscles, but I just couldn't understand why they were killing each other over 25 cents.' Dumbfounded, her date asked, 'What do you mean?' 'Well, they flipped a coin, one team got it and then for the rest of the game, all they kept screaming was: 'Get the quarterback! Get the quarterback!' I'm like...Helloooooo? It's only 25 cents.'

WOMEN'S REVENGE

"Cash, cheque or charge?" I asked, after folding items the woman wished to purchase. As she fumbled for her wallet I noticed a remote control for a television set in her purse. "So, do you always carry your TV remote?" I asked. "No," she replied, "but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally."

CLEVER EMPLOYEE!!!

Employee: Excuse me sir, may I talk to you?

Boss: Sure, come on in. What can I do for you?

Employee: Well sir, as you know, I have been an employee of this prestigious firm for over ten years.

Boss: Yes.

Employee: I won't beat around the bush. Sir, I would like a raise. I currently have **four companies** after me and so I decided to talk to you first.

Boss: A raise? I would love to give you a raise, but this is just not the right time.

Employee: I understand your position and I know that the current economic down turn has had a negative impact on sales, but you must also take into consideration my hard work, pro activeness and loyalty to this company for over a decade.

Boss: Taking into account these factors and considering I don't want to start a brain drain, I'm willing to offer you a ten percent raise and an extra five days of vacation time. How does that sound?

Employee: Great! It's a deal! Thank you, sir!

Boss: Before you go, just out of curiosity, what companies were after you?

Employee: Oh, the Electric Company, Gas Company, Water Company and the Mortgage Company!

THE ORIGINAL COMPUTER

Some interesting thoughts

put together by...

Anthony Robbins

- Give people more than they expect and do it cheerfully.
- Marry a man/woman you love to talk to. As you get older, their conversational skills will be as important as any other.
- Don't believe all you hear, spend all you have or sleep all you want.
- When you say, 'I love you,' mean it!
- When you say, 'I'm sorry,' look the person in the eye.
- Be engaged at least six months before you get married!
- Believe in love at first sight.
- Never laugh at anyone's dreams. People who don't have dreams, don't have much.
- Love deeply and passionately. You might get hurt but it's the only way to live life completely.
- In disagreements, fight fairly. No name-calling!
- Don't judge people by their relatives.
- Talk slowly but think quickly.
- When someone asks you a question you don't want to answer, smile and ask, 'Why do you want to know?'
- Remember that great love and great achievements involve great risk.
- Say 'bless you' when you hear someone sneeze.
- When you lose, don't lose the lesson!
- Remember the three R's: Respect for self; Respect for others & Responsibility for all your actions!
- Don't let a little dispute injure a great friendship.
- When you realize you've made a mistake, take immediate steps to correct it.
- Smile when picking up the phone. The caller will hear it in your voice.
