A mechanic was removing a cylinder head from the engine of a Harley Davidson motorcycle when he spotted a well-known heart surgeon in his shop... The mechanic shouted across the garage, 'Hey, Doc, can I ask you a question?' The surgeon a bit surprised, walked over to the mechanic working on the motorcycle. The surgeon a bit surprised, wiped his hands on a rag and asked, 'The mechanic straightened up, took the valves out, the term, put him back in, So Doc, look at this engine. I open its heart, took the valves out, the term, put him back in, and when I finish, it works just like new. So how come I get such a small salary and you get the healthy big bucks, when you and I are doing basically the same work?' The surgeon paused, smiled and leaned over, and whispered to the mechanic... 'Try doing it with the engine running!'

LOL!

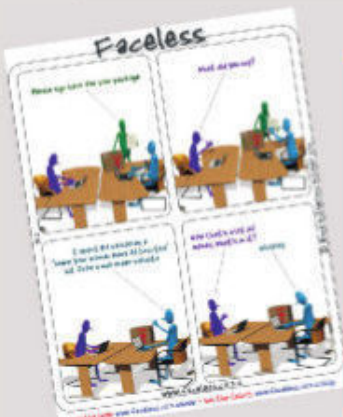

Well that's not
a good sign.

BAD

Q: Why do men's clothes have buttons on the right while women's clothes have buttons on the left?

A: When buttons were invented, they were very expensive and worn primarily by the rich. Since most people are right-handed, it is easier to push buttons on the right through holes on the left. Because wealthy women were dressed by maids, dressmakers put the buttons on the maid's right! And that's where women's buttons have remained since.

"Detoxification, or detox, is the process of removing toxic substances from the body".

Short-Term Detoxes

- 1. Do a fruit detox.** Fruit detoxes are a great way to fast without starving yourself. You can either detox by eating a variety of different fruits, or by only eating one-kind of fruit. For best results, choose a fruit that you enjoy eating so that you don't feel like you're suffering.
- o Eat citrus fruits. These fruits have the highest detoxifying power, and include oranges, tangerines, grapefruit, lemons, and limes. You can eat them on their own or combine them with other fruits. Do not exceed 7 days in a row of a fruit-only diet.
 - o Try a grape detox. Grapes contain resveratrol and are also a great source of potassium and Vitamin C. Eat nothing but grapes (whichever kind you like) for 3-5 days.

- 2. Do a liquid detox.** Consume nothing but liquids (water, tea, fruit juice, vegetable juice, and/or protein shakes) for 2-3 days. Liquid diets can help jump-start weight loss by restricting calorie intake, and are believed to cleanse your body of certain toxins.
- o Be sure to include fruit and/or vegetable juices in your liquid fast to ensure that your body is getting the proper nourishment.
- off your goal is to lose weight, then you will have to change your eating habits once the liquid fast is over, or you will simply gain all the weight back.

3. Fruits and vegetable 7 days detox. Fruits and vegetables contain the vitamins, minerals, and other nutrients your body needs to stay healthy. Be sure to eat a diverse combination of produce to ensure that you are getting the proper nutrients.

- o Get fiber from kidney beans, black beans, apples, soybeans, blueberries, and artichokes
- o Get potassium from carrots, bananas, lima beans, white potatoes, cooked greens, and sweet potatoes
- o Get Vitamin C from kiwis, strawberries, kale, cauliflower, tomatoes, oranges, Brussels sprouts, mangoes, and bell peppers
- o Get folate from cooked spinach, melons, asparagus, oranges, and black eyed peas
- o Get good fats from avocado, olives, and coconut

My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table.

I asked her, "Do you know him?"

"Yes", she sighed. "He's my old boyfriend."

I understood he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since. "Huh?" I said, "Who would think a person could go on celebrating that long?"

And then the fight started...

LOL

I took my wife to a restaurant.

The waiter, for some reason, took my order first.

"I'll have the rump steak, rare, please."

He said, "Aren't you worried about the mad cow?"

"Nah, she can order for herself."

And that's when the fight started...
