I became confused when I heard
the word SERVICE...
SERVICE used with these agencies:
S.A. Revenue SERVICE
S.A. Postal SERVICE
Telephone SERVICE
Provincial, Municipal,
City & Public SERVICE
Customer SERVICE.

This is not what I thought SERVICE
meant. But today, I overheard
two farmers talking & one of them
said he had hired a bull to
SERVICE a few cows...BAM!!!
it all came in to focus, now I understand
what all those Agencies are doing to us!

Annie, 6 years old, gets home from school.
She had her first family planning lesson at school.
Her mother, very interested, asks: "How did it go?"
"I died of shame!" She answers!
"Why?" Her Mother asked.

Annie said, "Kate from down the road, says that the stork brings babies.
Sally next door said you can buy babies at the orphanage.
Pete in my class says you can buy babies at the hospital."
Her mother answers laughingly "But that's no reason to be ashamed?"
"No, but I can't tell them that we were so poor that you and
daddy had to make me yourselves!"

"Detoxification, or detox, is the process of removing toxic substances from the body".

Long-Term Detoxes

Eat organically grown produce and meat. Conventional produce is grown with chemical fertilizers and synthetic insecticides, while organic produce is grown with natural fertilizers and pesticides. Organic meats have far fewer harmful antibiotics, growth hormones, and medications that are fed to animals on conventional farms.

Drink enough water. Getting enough water is essential to your health. Among its other health benefits, water helps maintain your body's fluid levels, which helps your kidneys flush out the body's main toxins.

Many religions and philosophies advocate fasting as a way of refocusing the mind and developing a sense of peace. While you're detoxifying your body, try to rid yourself of grudges, anger, sadness and other negative feelings. Use the time you would usually spend eating or preparing food to think about your goals and aspirations.

TIPS

- **Detox with a friend.** You can support each other through rough patches and applaud successes, as well as sharing recipes and tips.
- **Try to find time for light exercise** such as swimming or brisk walking. **Don't attempt strenuous activities** such as running or weight training while fasting.

AFFAIRS... YOU HAVE BEEN WARNED...

The 1st Affair

A married man was having an affair with his secretary.

One day they went to her place and made love all afternoon.

Exhausted, they fell asleep and woke up at 8 PM.

The man hurriedly dressed and told his lover to take his shoes outside and rub them in the grass and dirt.

He put on his shoes and drove home.

'Where have you been?' his wife demanded

'I can't lie to you,' he replied,

'I'm having an affair with my secretary.

We had sex all afternoon.'

She looked down at his shoes and said:

'You lying bastard!

You've been playing golf!'

LOL!

The 2nd Affair

A middle-aged couple had two beautiful daughters but always talked about having a son.

They decided to try one last time for the son they always wanted.

The wife got pregnant and delivered a healthy baby boy. The joyful father rushed to the nursery to see his new son. He was horrified at the ugliest child he had ever seen.

He told his wife:

'There's no way I can be the father of this baby.

Look at the two beautiful daughters I fathered! Have you been fooling around behind my back?' The wife smiled sweetly and replied: 'Not this time!'

THE 3RD AFFAIR

Jake was dying. His wife sat at the bedside. He looked up and said weakly: 'I have something I must confess.' 'There's no need to,' his wife replied. 'No,' he insisted, 'I want to die in peace. I slept with your sister, your best friend, her best friend, and your mother!' 'I know,' she replied, 'now just rest and let the poison work.'
