Some IRISH humour...

Bloke at a horse race whispers to Paddy next to him, "do you want the winner of the next race?" Paddy replies, "No tanks, I've only got a small garden."

Paddy and Mick found 3 hand grenades & decided to take them to the police station. Mick "What if one explodes before we get there?" Paddy: "We'll lie and say we only found two!"

### Did you know...

#### Why are many coin banks shaped like pigs?

Long ago, dishes and cookware in Europe were made of dense orange clay called 'pygg'. When people saved coins in jars made of this clay, the jars became known as 'pygg banks.'

When an English potter misunderstood the word, he made a container that resembled a pig & it caught on!

Sometimes I think I understand everything and then I regain consciousness!?!

say what?!@

### It's a woman thing...

One day my housework-challenged husband decided to wash his Sweat- Shirt. Seconds after he stepped into the laundry room, he shouted to me, 'What setting do I use on the washing machine?' 'It depends,' I replied. 'What does it say on your shirt?' He yelled back, 'Liverpool'. And they say blondes are dumb...

“What kind of POTATOES are YOU?”

Some people never seem motivated to participate,  
but are just content to watch while others do the work.  
They are called "Spec Taters".

Some people never do anything to help, but are gifted  
at finding fault with the way others do the work.  
They are called "Comment Taters"

Some people are very bossy and like to tell others what  
to do, but don't want to soil their own hands.  
They are called "Dick Taters".

Some people are always looking to cause problems by  
asking others to agree with them. It is too hot or too cold, too sour or too sweet.  
They are called "Agie Taters".

There are those who say they will help, but somehow  
just never get around to actually doing the promised help.  
They are called "Hezzie Taters".

Some people can put up a front and pretend to be  
someone they are not.  
They are called "Immy Taters".

Then there are those who love others and do what they  
say they will. They are always prepared to stop whatever they are doing  
and lend a helping hand. They bring real sunshine into the lives of others.  
They are called "Sweet Po Taters"!

# FABULOUS FUDGE!!!

### INGREDIENTS...

|                   |                       |
|-------------------|-----------------------|
| 3 cups sugar      | ½ cup milk            |
| 125g butter       | pinch of salt         |
| 1 tsp syrup       | 1 tsp vanilla essence |
| ½ cup condensmilk |                       |

### METHOD...

Mix sugar and milk together in a pot over medium heat. Once the sugar has dissolved add salt, butter, syrup & condensmilk. Stir until all dissolved and leave to boil, stir occasionally to avoid burning. To check if the mixture is ready - take a cup with water & place a small amount of the mixture in the cup - the mixture should turn into a "light dough". Place all the mixture into a glass or stainless steel bowl and add the vanilla essence and beat with an electrical mixer for about 2 minutes. Pour the mixture into a flat square pan or mould to set. Leave for about 10 min to set then cut into blocks...

ENJOY!!!

## NEW EMPLOYMENT RULES 2013

### **SICK DAYS**

We will no longer accept a doctor's certificate as proof of sickness. If you are able to get to the doctor, you are able to come into work.

### **MATERNITY LEAVE**

You must first apply to your superiors and with their approval you'll then be allowed to be pregnant. It will only be allowed once in 10yrs and you only get 1-month maternity leave. No male shall get leave related to his wife's pregnancy, sickness or even death (he is not a midwife, a doctor nor an undertaker).

### **SURGERY**

Operations are now banned. As long as you are an employee here, you need all your organs. You should not consider having anything removed. We hired you intact. To have something removed constitutes a breach of employment.

### **HOLIDAYS**

Each employee will receive 104 holidays per year. They are called Saturday and Sunday.

### **BEREAVEMENT LEAVE**

This is no excuse for missing work. There is nothing you can do for dead friends or relatives. Every effort should be made to have non-employees to attend to the arrangements. In rare cases where employee involvement is necessary, the funeral should be scheduled for the late afternoon. We will be glad to allow you to work through your lunch-hour and subsequently leave one hour early, provided your share of the work is done.

### **ABSENT FOR YOUR OWN DEATH**

This will be accepted as an excuse. However, we require at least two weeks' notice to allow time for you to train your own replacement.

### **TOILET USE**

Entirely too much time is being spent in the toilets. In the future, we will follow the practice of going in alphabetical order. For instance: All employees whose names begin with 'A' will go from 8.00 to 8.20, employees whose names begin with 'B' will go from 8.20 to 8.40 and so on. If you are unable to go at your allocated time, it will be necessary to wait until the next day when your turn comes again. In extreme emergencies employees may swap their time with a co-worker. Both workers' supervisors must approve this exchange in writing. In addition, there is now a strict 3-minute time limit in the toilets. At the end of 3 minutes, an alarm will sound, the toilet paper will retract, and the door will open.

### **LUNCH BREAK**

Skinny people get an hour for lunch as they need to eat more so they can look healthy, normal size people get 30 minutes for lunch to maintain their average figure. Fat people get 5 minutes for lunch because that's all the time needed to drink a Slimfast and take a diet pill.

### **DRESS CODE**

It is advised that you must come to work dressed according to your salary. If we see you wearing designer clothing we will assume that you are doing well financially and therefore do not need a pay rise.

Thank you for your loyalty to our company. We are here to provide a positive employment experience. Therefore, all questions, comments, concerns, complaints, frustrations, irritations, aggravations, insinuations, allegations, accusations, contemplations, consternation or input should be directed elsewhere.

Have a nice day
